Current (through May 2022):   Permanent:
Claremont, CA   New York, NY

EDUCATION

Harvey Mudd College / Claremont, CA
Graduation: May 2025 / B.S. Mathematics & Computer Science

Fellow at Product Space (product management club), Writer & Designer for the on-campus newspaper, Leader of outdoors club.

Fieldston High School / New York, NY
Graduation: May 2021 / Average: A

Captain of the Varsity softball team, Leader of the Asian-American activism group, event coordinator for the environmental action club.

EXPERIENCE

Innovator @ The Knowledge Society / New York, NY

September 2020 - June 2021

Member of a worldwide teen emerging technology program. I spent the year working on Internet of Things projects relating to smart cities and presented consultant-style recommendation decks to LEGO and the United Nations.

Researcher @ MIT PACT Project / Virtual

June 2020 - July 2020

Collected data on Raspberry Pi's and wrote a report for MIT Lincoln Laboratory's PACT project to develop a private, automated form of Bluetooth contact tracing.

Student Expedition Leader @ The High Mountain Institute / Leadville, CO

August 2019 - December 2019

Was elected by my peers and teachers at this semester school to lead a backpacking trip of nine other teens through the desert for ten days by myself. Led off-trail navigation, water searching, and resolved group disputes.

SKILLS

Python (2 years experience), Korean & Japanese (conversational), Google Suite (docs, slides, sheets, forms), Adobe Creative Cloud (Illustrator, InDesign, Dimension), Figma (UI wireframing, one-pagers).
